PAPERS SUBMISSION

And the papers, for the possible book that will be released at the end of the exhibition?

All artists and researchers are invited to reflect on the contemporary context of the experimental and theoretical practice behind Glitch Art. We are looking for the submission of papers resulting from research in the arts, as well as inter- or trans-disciplinary dialogues with other knowledge areas such as design, communication, philosophy, technology, and so forth. The intention is to emphasize reflections on Glitch Art's practices, poetics, and theories in a way that breaks with “traditional” art systems, in order to usher reflective potentials and new references from authors.

Selected papers will be collected in a still untitled book with reflections about Glitch Art and related topics. This book will be published in PDF and/or e-book format, and it may even be printed on-demand at the discretion of the Organizer. The book, however, is not linked to the event itself and will be available at no cost or at an affordable price to the public. Authors will receive no payment for their papers published in the book.

THERE IS NO SUBMISSION FEE AND THERE IS NO PAYMENT TO THE AUTHORS FOR THE PUBLICATION OF THEIR PAPER IN THE BOOK OR FOR ANY POSSIBLE FUTURE SALES. Submitting an entry does not automatically indicate acceptance into the book. Submissions are subject to the acceptance criteria of the exhibition organizers. If the selection does not
